

Plug-In Towel Warmer

Treat yourself to the ultimate in bathroom luxury, without having to stay in a five-star hotel! Now you can wrap yourself with a warm and fluffy towel at the end of every bath or shower, with this Plug-in Towel Warmer/Shelf! These amazing devices have been used by exclusive hotels and day spas for years, and now you can indulge in the same opulent experience at home, every day. In fact, we guarantee that once you start using one of these towel warmers, you'll wonder how you ever lived without one!

With classic, sleek lines and a lovely satin nickel finish, this Plug-in Towel Warmer/Shelf looks great in any room where you want to grab warm, dry towels, including bathrooms, workout rooms, or rooms adjacent to hot tubs, saunas or pools. They're also great for warming blankets, robes, clothes, or for drying laundry items that are too delicate for tumble dryers. You'll also find that you do less laundry, since your towels won't require constant washing!

But don't just think of these as products you'll use only on cold mornings or during the winter. You can use these towel-warming shelves all year round, including summers, especially if you have a swimming pool or hot tub, or if you live in a humid environment. They also make your bathroom more hygienic by reducing germs, mildew and musty smells.
